

APPLICATION OF HOWARD GARDNER'S MULTIPLE INTELLIGENCE THEORY #1

BODILY-KINESTHETIC

Give students a chance to bodily move and handle objects after learning certain vocabulary and grammar.

MUSICAL

Give students a chance to musically express themselves by using musical Spanish programs.

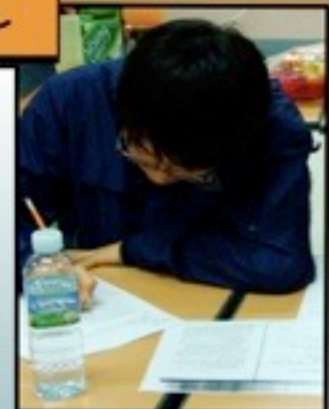

INTERPERSONAL

Give students a chance to collaborate by providing time with certain activities.

LOGICAL MATHEMATICAL

Provide mathematical formulae in terms of teaching Spanish grammar. For example, conjugating a verb is
verb base+proper ending = conjugated verb.

APPLICATION OF HOWARD GARDNER'S MULTIPLE INTELLIGENCE THEORY #2

LINGUISTIC

Give students a chance to listen to the teacher speak and understand the functions of the language.

NATURALIST

Have them go out for scavenger hunts in Spanish.

INTRAPERSONAL

Provide situations where students can reflect on themselves by reading a story and writing a response.

SPATIAL

Provide activities that allow students to spatially experience the vocabulary. For example, after learning household items, have them make a diorama out of a shoe box.
