

Motivation as a humanist

- I care for my students' needs which are psychological, safety, social, and self-esteem. Later, I expect self actualization to happen in each student, which is the need for self fulfillment.

According to Snowman et al. (2009) a teacher should do everything possible to see that the lower level needs of students are satisfied so that students are more likely to function at the higher levels (p.444).

Maslow's hierarchy of needs
