

Good learning occurs when...

THE FOLLOWING CONVERSATION HAPPENS IN SPANISH...

- ...reading a book and discussing it, or interviewing people asking open ended questions.

In the book we read, why do you think Ana was unhappy?

I think because her family was poor.

I think because she did not want to go to school.

Systematic, open-minded discussion and debates are instrumental in helping individuals create personal views (Cobb & Bowers, 1999).
