

INFLUENCING
SELF EFFICACY
AND BANDURA'S
VERBAL
PERSUASION

Great pronunciation as well as usage of the grammar, Josh! You have talent in learning a foreign language!

I can actually speak Spanish like her! I am happy!

Good work!
22/21
vestido

According to Snowman et al. (2009) self efficacy is influenced by past performance, verbal persuasion, emotions, and observing models (p.307).
